About our Bridal Makeup Services

Offering elite on location makeup services. On the day of your wedding we travel to the venue, home or hotel where you and your bridal party would be getting ready for your special day.

Bride's makeup trial is about 1 ½ hours, this includes skin assessment/recommendations to get your skin to its optimal potential for your big day, bridal consult and bridal makeup application, faux lashes and brow advice.

It is recommended if not a current client to schedule a facial and get on a customized skincare regimen to prepare your skin for the big day. Facials are scheduled at our studio
